Peer Support Network List of Mentors

A peer support network has started in Saskatchewan for local HSPnet users that need additional help using HSPnet. We ask that users seek help from existing HSPnet supports before contacting a mentor. Before contacting a mentor a user may find help with their questions or problem by:

1. **Reviewing a Quick Reference Guide in HSPnet** (there are many topics!)
2. **Watching an HSPnet training video** (on your home page after signing in)
    - Assigning multiple supervisors for Receiving Coordinators (3.5 mins)
    - Assigning multiple supervisors for Placing Coordinators (4 mins)
    - Look up (search) features (4 mins)
    - First log in for new users.....**AND MANY MORE!**
3. **Contacting Help Desk via email** (support@hspcanada.net)

If you still need help, contact a mentor by email or phone from the list below.....

Volunteer Mentors	Role in HSPnet	Areas of Expertise*
Brette Wilkinson, Practice Education Administrator Saskatchewan Collaborative Bachelor of Science in Nursing (SCBScN) Saskpolytech Kelsey Campus Phone: 306- 659-4275 Brette.Wilkinson@saskpolytech.ca	Placing Coordinator	• reporting and correspondence features • HSPnet account creation and uploading student information • tracking Student and Staff/Users pre-requisites and generating reports • basic coordination of placement requests and Cohort Maintenance
